Re: October Quarterly Report (07/01/96-09/30/96)

Dear Ms. Carothers:

In response to your letter dated November 13, 1996, enclosed please find an amended Quarterly Report which includes only the financial transactions that occurred between 08/22/96 and 09/30/96.

We have refunded the \$500.00 contribution made by the District Council #9 International Brotherhood of Painters and Allied Trades AFL-CIO since we are now aware that this organization is not a federally approved Political Action Committee.

The disbursements on Schedule B now include all the necessary information such as addresses and a brief statement describing why each disbursement was made.

I am enclosing a letter from Longwood Associates explaining that the in-kind contribution of \$2000.00 as stated on the Quarterly Report was actually for \$500.00. The reason being that as of September 30, 1996 we anticipated using the Cedarhurst office at 533 Central Avenue for the remainder of the campaign. On October 7, 1996, Victory 96 moved into the space as part of the Coordinated Campaign. In other words, Friends of Carolyn McCarthy had exclusive use of this office from September 20, 1996 to October 6, 1996 at which point the space became a Victory 96 office, maintained and operated by the Coordinated Campaign. We have made the necessary changes on Schedules A & B.

Due to an apparent clerical error, an in-kind contribution of \$150.00 from the Democratic Congressional Campaign Committee was reported on the original Quarterly Report. Neither our committee or the Democratic Congressional Campaign Committee have any documentation to support this contribution leading me to believe that it was a clerical error. I have therefore eliminated this in-kind contribution from the report.

If you have any further questions, please contact me.

Very truly yours,
